COMET DELIVERY SERVICES INDEPENDENT CONTRACTOR AGREEMENT

This Independent Contractor Agreement is made and entered into in Miami-Dade County, Florida, on _____, 20____, between Miami Parcel Delivery Corp. d/b/a Comet Delivery Services ("COMET") as the first party and _____ ("CONTRACTOR"), as second party, hereinafter collectively referred to as "Parties". This Agreement shall be for the term of one year, and shall be automatically renewable upon its expiration, so long as neither of the Parties has elected termination as proscribed below.

WITNESSETH:

COMET is engaged in the logistics industry and contracts with Clients in order to locate and facilitate the provision of delivery services by independent contractors. Requested logistics services sometimes include delivery of cargo, and COMET locates and qualifies contractors to perform such Delivery Services.

CONTRACTOR, as an ongoing, independent business operation, represents that it is and was prior to this contractual arrangement, in business providing Delivery Services. CONTRACTOR has solicited COMET seeking opportunity to provide Delivery Services. CONTRACTOR is concurrently or remains open to conducting similar tasks or activities for entities other than COMET and holds himself or herself out to the public to be a separate business entity.

COMET desires to engage the services of CONTRACTOR to perform certain tasks if and when they arise as set forth below. CONTRACTOR desires to enter into this Agreement and perform as an independent contractor pursuant to the terms and conditions set forth below. CONTRACTOR further represents and warrants that it knowingly and intentionally chooses to enter into this arrangement as an independent contractor and not as an employee.

NOW, THEREFORE, in consideration of the above recitals and the mutual promises and conditions contained in this Agreement, the Parties agree as follows:

A. STATUS OF INDEPENDENT CONTRACTOR

1. This Agreement does not constitute a hiring by either party. It is the parties intention that CONTRACTOR shall have an independent contractor status and not be an employee for any purposes, including, but not limited to, the application of the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the Fair Labor Standards Act, the provisions of the Internal Revenue Code, the Workers' Compensation Insurance Code, and/or other benefit payments and third party liability claims. CONTRACTOR shall retain sole and absolute discretion in the manner and means of carrying out its activities and responsibilities under this Agreement. This Agreement shall not be considered or construed to be a partnership or joint venture, and neither Party shall be liable for any obligations incurred by the other unless specifically authorized in writing. CONTRACTOR shall not act as an agent of COMET, ostensibly or otherwise, nor bind COMET in any manner, unless specifically authorized to do so in writing.

2. CONTRACTOR represents, acknowledges and agrees that it is an independent contractor and is not an employee of COMET. No provision of this Agreement shall be deemed to create an employment relationship between CONTRACTOR and COMET. CONTRACTOR expressly warrants and agrees that it will not hold itself out as, or otherwise represent to any person or entity that it is an employee of COMET. CONTRACTOR agrees to hold COMET harmless and to indemnify and defend COMET in full for any and all damages, claims, assessments, penalties, liabilities, charges, attorney's fees or other losses incurred during or following the term of this Agreement, which result from any assertion, claim, determination, or adjudication that CONTRACTOR is an employee of COMET, including, but not limited to, any claim, determination or adjudication made pursuant to the Internal Revenue Code, Federal Labor Law, Florida Unemployment Insurance Law, Florida Workers' Compensation Law, or any other federal, state or local wage, employment, insurance, labor and other laws, statutes, regulations and ordinances. CONTRACTOR further agrees to provide COMET with copies of any documents deemed necessary in support of these warranties.

B. TASKS, DUTIES, AND SCOPE OF WORK

1. "Delivery Services" includes all services necessary or appropriate in the collection, handling and delivery of parcels, including, but not limited to, the following: (i) the collection of cargo at designated locations, the transporting of cargo, and the delivery of the cargo to consignees and/or designated carriers, (ii) the collection of signatures on designated paperwork including bills of lading and delivery receipts or via wireless device; (iii) the use of personnel and/or equipment in connection therewith.
2. CONTRACTOR may choose to accept the obligation to perform these tasks, such as Delivery Services, for its own benefit. CONTRACTOR may choose to decline any offered work, such as Delivery Services of its own accord.
3. This Agreement governs all services which CONTRACTOR may provide by COMET. It is the parties' intention that CONTRACTOR will use her/his own equipment, skill, and expertise in the independent exercise of her/his business judgment in the performance of the services governed by this Agreement.
4. CONTRACTOR's duties may include safely operating a vehicle on the public streets and highways of Miami Dade, Broward and Palm Beach Counties, and providing transportation of parcels, packages, cartons, or other items as designated by clients of COMET.
5. CONTRACTOR shall abide by all state, federal, and local laws in the performance of its duties and operate vehicles in a manner compliant with all such applicable laws; including state and federal regulations or ordinances related to the safe operation of motor vehicles and the prohibition or regulation of use of handheld and electronic devices.
6. CONTRACTOR must notify COMET of any citations of any kind against driver, within twenty-four (24) hours of the issuance of such citations.
7. CONTRACTOR shall at all times maintain a courteous, safe, friendly, and professional manner and demeanor in the completion of its tasks.
8. CONTRACTOR shall at all times professionally represent the itself to Clients of COMET, and shall refrain from any act, omission, or behavior of any type that could

- call into question the reputation or goodwill of COMET or its Clients. Failure to adhere to reasonable ethical and professional standards of conduct in servicing the Clients of COMET shall be grounds for immediate termination of this Agreement. Further, any violation of law, ordinance, or municipal code by CONTRACTOR shall similarly be grounds for immediate termination of this Agreement.
9. CONTRACTOR has full control of its means, method and manner of performing these duties.
 10. CONTRACTOR shall refrain from causing any damage to the property of COMET, the property of Clients of COMET and the property of any and all others with whom CONTRACTOR comes into contact during the scope of these services.
 11. During the term of this agreement, COMET may inform CONTRACTOR of a Client Engagement Opportunity (CEO). CONTRACTOR has the right to decline or accept such opportunities.
 12. When CONTRACTOR accepts a CEO, CONTRACTOR is obligated to complete the engagement as requested, required, and directed by the Client. CONTRACTOR shall control and determine the means and manner of performance of CEOs.
 13. CONTRACTOR's failure to perform up to the specifications of the engagement as provided by the Client may result in termination of this Agreement and/or a lack of availability of CEOs for that or other Clients in the future.
 14. CONTRACTOR retains the right and ability to work and contract with logistics providers other than COMET any time it so chooses, and to generally hold itself out to the public as contractor available to perform similar or dissimilar work.
 15. CONTRACTOR shall indemnify COMET from any and all fines, citations, parking citations, liens, toll fees, toll citations, or other debts incurred by CONTRACTOR in the performance of any services under this Agreement.
 16. CONTRACTOR will provide all equipment, personnel, staff, coverages, policies, fuel, materials, and thing of every kind and type necessary to complete its performance of work under this Agreement.
 17. CONTRACTOR is liable, without limitation for the value of any cargo, property, parcels, packages, or goods for which it accepts possession under a CEO and shall remain liable for the value of such commodity or commodities from receipt through delivery. COMET shall deduct any such damage claims from CONTRACTOR's compensation after notice to CONTRACTOR.
 18. If any parcel, package, or cargo shows signs of damage or potential for damage or shortage at the time of receipt by CONTRACTOR, CONTRACTOR shall make note of such exceptions on the document of carriage and require a signature of consignor next to such exception. IN addition, CONTRACTOR must, prior to departing with such cargo, contact COMET and report said exceptions. CONTRACTOR is liable for any defect in condition or count not noted on the document of carriage and reported to COMET prior to departure from origin.
 19. CONTRACTOR is responsible for obtaining instructions and training (including OSHA compliance as necessary) in any commodity for which it accepts a CEO. COMET does not offer or provide any compensation for such instruction or training, and it is the sole responsibility and expense of CONTRACTOR to obtain the same as required by Clients serviced by CONTRACTOR.

20. Some Clients of COMET may require the use of electronic documents, collection of electronic signatures, provision of certain cargo tracking information and data, and even communication to and from CONTRACTOR via such electronic means. It is the duty of CONTRACTOR to operate in a safe manner at all times, and attention shall only be provided to such devices as appropriate and required by law.
21. Communication between CONTRACTOR and Client's of COMET shall be limited to those appurtenant, and expressly requisite to the delivery of the particular cargo under a CEO. If a Client of COMET should contact CONTRACTOR directly, and not via COMET or a authorized electronic communication that provides a real time copy to COMET, CONTRACTOR shall immediately notify COMET in writing. In all cases, notice of such communication shall be provided within twenty-four (24) hours.

C. COMPENSATION

1. Compensation for the performance of services under this contract is not based upon the amount of time dedicated or hours worked; rather, compensation for a specific CEO will be a fee negotiated for that particular engagement.
2. Fees for CEOs pursuant to this agreement will be set as they arise and agreed upon between COMET and CONTRACTOR.
3. The fee for a CEO is payable upon receipt by COMET of an invoice from CONTRACTOR and proof that the CEO has been completed without exception.
4. All fees paid to CONTRACTOR will be paid in the name provided in this Agreement or any addendum provided at a later point updating the payee information provided in writing by CONTRACTOR.
5. CONTRACTOR will not be reimbursed for any expenses.
6. CONTRACTOR is solely responsible for the payment of any and all local, state, or federal taxes, social security, or similar statutory deductions from its income.
7. CONTRACTOR may, when applicable, be issued an IRS form 1099 reflecting such compensation.

D. INDEMNIFICATION AND INSURANCE

1. CONTRACTOR shall indemnify and hold harmless COMET and its customers from and against any and all loss, damage, cost, expense, including reasonable attorney's fees and other costs of defense, which may be incurred by COMET, or any person, persons, firm, association or corporation claiming through COMET resulting from any acts or omissions, negligent or otherwise, of CONTRACTOR or its employees, in performing or failing to perform the transportation services specified hereunder, including the loading, handling, transportation, and delivery of goods, including, but not limited to, claims for loss or damage to the goods being shipped, personal injury or death of persons (including without limitation, employees of COMET and its clients), loss, damage, delay, destruction or conversion of the property of any person or legal entity, or embezzlement by CONTRACTOR or its employees.

2. CONTRACTOR shall indemnify and hold COMET harmless from any loss, damage, cost or expense, including attorney's fees, which may be imposed upon or incurred by or asserted against COMET and/or its Clients, by reason of CONTRACTOR's or its employees' actual or alleged failure to comply with state, local, and federal rules and regulations under which COMET and/or CONTRACTOR operate, or by doing, permitting or causing any act to be done which CONTRACTOR or COMET is not legally authorized to do.
3. CONTRACTOR agrees to obtain and maintain commercial auto liability insurance for CONTRACTOR's vehicle(s) with limits no less than \$100,000 per person, \$300,000 per accident, \$50,000 property damage. Delivery agrees to notify COMET immediately if notice of cancellation or non-renewal is received. An up-to-date declaration page must be filed with COMET at all times and CONTRACTOR agrees to promptly provide any requested evidence of insurance including complete policies.
4. Notwithstanding any provision herein, CONTRACTOR shall indemnify and hold COMET and its customers harmless for all actual or consequential losses, damages, costs or expenses, including but not limited to, reasonable attorney's fees and consequential and incidental damages, arising out of or in any way connected to the intentional or negligent conduct of CONTRACTOR, or its employees, agents or subcontractors. Moreover, CONTRACTOR at no time shall bring a cause of action against COMET for any loss, damage, expense, action and/or claim for injury to persons and/or damage to property arising out of or in connection with CONTRACTOR's operation of motor vehicles or performance under this Contract. The provisions of this Indemnification shall survive termination of this Contract.

E. CONFIDENTIALITY

1. CONTRACTOR further agrees as part consideration for this Agreement, that it will treat all matters relating to the business of COMET, or its customers, as confidential business information entrusted to CONTRACTOR solely for its use in performing services under this Agreement. Such information will not be divulged in any way to any person except as is necessary for CONTRACTOR to carry out its obligations under this Agreement, or to comply with lawful requests of law enforcement.
2. CONTRACTOR agrees not to disclose or communicate, in any manner, either during or after CONTRACTOR's agreement with COMET, proprietary information about COMET, its operations, clientele, or any other proprietary information, that relate to the business of COMET including, but not limited to, the names of its customers, its marketing strategies, rates, pricing, operations, or any other information of any kind which would be deemed confidential, a trade secret, a customer list, or other form of proprietary information of COMET. CONTRACTOR acknowledges that the above information is material and confidential and that it affects the profitability of COMET.
3. Any breach of this confidentiality provision shall entitle COMET to damages in any action against CONTRACTOR, including but not limited to disgorgement of all payments CONTRACTOR received from COMET for all services arranged on

- behalf of COMET clients, the value any business or contracts with client's lost due to the breach for a period of at least one full calendar year, and special and consequential damages as may be proven at trial.
4. At no time following the effective date of this Agreement shall CONTRACTOR or its agents, employees, or subcontractors: (i) make any statements, or take any other actions whatsoever, intended to disparage, defame, sully, or compromise the goodwill, name, brand or reputation of COMET or any of its customers or affiliates or (ii) commit any other action that could likely injure, hinder or interfere with the business, business relationships or company goodwill of COMET or its customers and affiliates. CONTRACTOR hereby represents and warrants that, prior to the Effective Date, the CONTRACTOR has not committed any of the foregoing actions described in this Section.

F. NON-SOLICITATION

1. CONTRACTOR shall not directly solicit any opportunities to perform similar delivery services to or on behalf of any Client of COMET, without the express written consent of COMET. Further CONTRACTOR shall not directly divert or interfere with any negotiations, contracts, engagements, or agreements between COMET and any potential client which CONTRACTOR became aware of during the term of this Agreement.
2. For any breach of this provision, and for each and every shipment that CONTRACTOR solicits or accepts from any pre-existing (defined as any customer for whom COMET has provided services during or prior to the term of this Agreement) Client of COMET or for any customer or client that CONTRACTOR first comes into contact with during the term of this Agreement, CONTRACTOR shall pay to COMET as liquidated damages representing a reasonable commission or finders fee, twenty five percent (25%) of the total freight charges for said transportation services. This amount is agreed to be reasonable regardless of the actual revenue or profit received by CONTRACTOR for such services.
3. CONTRACTOR further agrees that this non-solicitation provision is not a restraint on its trade, but a reasonable means of allowing COMET to protect its intellectual property and proprietary business information.
4. The provisions of this paragraph F shall survive termination of this Agreement.

G. SERVICE MARK AND TRADENAME.

1. It is understood that the service marks of COMET are the exclusive property of COMET used in connection with its services and that CONTRACTOR shall have no right to use said service marks, except during the term of this Agreement. It is further understood that COMET has the sole right to use its name and that CONTRACTOR shall have no right to use said name or any name confusingly similar thereto in the name of any corporation, partnership or other organization with which CONTRACTOR is associated in any capacity, directly or indirectly, and which is engaged in a business similar in any respect to that conducted by COMET.

2. CONTRACTOR may be offered use of the service marks of COMET during the term of this Agreement, and may, at its option, accept or decline the application of said marks upon CONTRACTOR's vehicle(s). Such marks will be applied solely at the cost and discretion of COMET. CONTRACTOR agrees and warrants to remove any such marks within five (5) days of ceasing to render or perform services as contemplates under this Agreement. COMET shall have no liability for the cost or expense related to the removal of such marks, or any liability for the cosmetic appearance of CONTRACTOR'S vehicle following the removal of such marks.

H. GENERAL PROVISIONS

Termination. This Agreement may be terminated prior to the completion or achievement of the Scope of Work by either party giving 5 days written notice. Such termination shall not prejudice any other remedy to which the terminating party may be entitled to under this Agreement.

Notices. Any notice to be given hereunder by any party to the other may be affected either by personal delivery in writing, or by mail, registered or certified, postage pre-paid with return receipt requested. Mailed notices shall be addressed to the parties at the following addresses:

COMET: Comet Delivery Services
10800 NW 103 St Unit 1
Miami, FL 33178

CONTRACTOR: _____

, but each party may change their address by written notice in accordance with this paragraph. Notices delivered personally shall be deemed communicated as of actual receipt; mailed notices shall be deemed communicated as of five (5) days after mailing. CONTRACTOR agrees to keep COMET current as to their business and mailing addresses, as well as telephone, facsimile, e-mail and cell phone numbers.

Controlling Law. This Agreement shall be governed by and be construed in accordance with Florida law.

Arbitration, Jurisdiction, and Venue. CONTRACTOR and COMET agree that final and binding arbitration will be the exclusive means of resolving any disputes between CONTRACTOR and COMET regardless of when such disputes arose. This provision specifically applies retroactively to include disputes arising from incidents predating this Agreement. Any such disputes shall be resolved pursuant to the commercial rules of the American Arbitration Association (AAA) and such arbitration shall be held in Palm Beach County, Florida. Judgment on any award rendered by the arbitrator shall be entered and

certified in any state or federal court having jurisdiction over the award. The Parties further agree to proceed under the Expedited Procedures as outlined by AAA Commercial Rules regardless of the amount in controversy. A demand for arbitration must be in writing and delivered by first class mail to the other party within the applicable statute of limitations. Further the Parties agree to an equal split of all arbitration costs; however, COMET and CONTRACTOR reserve the right to pay for any and all arbitration fees if it is found that the arbitration fees render the arbitration provision unenforceable. CONTRACTOR and COMET agree to bring any disputes in arbitration on an individual basis only and not as a class or other collective action basis. Accordingly, there will be no right or authority for any dispute to be brought, heard, or arbitrated as a class or other collective action in any state or federal court in any state. Notwithstanding the foregoing, and entirely in the alternative, should any court determine that the above arbitration requirement is ineffective, the Parties consent to exclusive jurisdiction and venue in Miami-Dade County, Florida in any dispute which might arise in connection with this Agreement. Should CONTRACTOR file suit in any state or federal court instead of serving a demand for arbitration or filing arbitration with AAA, CONTRACTOR shall be liable for all costs and fees incurred in the enforcement of this arbitration provision, so long as such is not prohibited by law, and will not void and otherwise effective arbitration provision. This arbitration provision shall be enforceable pursuant to the Florida Arbitration Act, or any other state or federal arbitration act or common law contractual right which will support or compel binding arbitration and waiver of the right to trial.

Statute of Limitations. The parties hereby acknowledge and agree that any arbitration, suit, action or other proceeding relating to this Agreement must be brought within one (1) year after the first occurrence of the act or omission that is the subject of the arbitration, suit, action or other legal proceeding.

Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under the present or future laws effected during the terms of this Agreement, such provision shall be fully severable from the remaining provisions of this Agreement, and it shall not affect the validity of the remaining provisions, which provisions shall be given full force and effect as if the illegal, unenforceable, or invalid provision had not been included in this Agreement. In lieu of an illegal, unenforceable, or invalid provision, there shall be substituted a provision as similar in terms to the illegal, invalid, or unenforceable provision as may be possible and still be legal, valid and enforceable.

Consultation with Counsel. The Parties acknowledge that each of them has read the full contents of this Agreement, understands that this Agreement constitutes a contract, represents that they have consulted with counsel regarding the advisability of entering into this Agreement and each enters into this Agreement voluntarily.

Negotiated and Jointly Drafted. The Parties certify that this Agreement was negotiated by each and entered into knowingly with full understanding of the meaning of its terms. This Agreement will not be treated as though it were drafted by either party or correspondingly construed against or in favor of either party.

No Assignment or Transfer. This Agreement is not transferrable or assignable by either party at any time absent the express written consent of the other party, except that COMET may transfer, assign, or retain its rights under this Agreement through its related entities, or any subsidiaries thereof.

Headings. The headings included herein are for convenient reference only and shall be given no substance or effect in the interpretation of this Agreement.

Entire Agreement. This Agreement and the appendices and addenda hereto form the entire agreement between the Parties relating to the subject matter hereof. Except as otherwise agreed in this Agreement, all amendments and modifications to this Agreement shall be made by a written document executed by both Parties.

I UNDERSTAND THAT:

1. I am an Independent Contractor ("I.C.") and not an employee of Comet Delivery Services, a Florida Corporation, (Comet), and no worker's compensation or unemployment insurance, vacations, or benefits are provided. (Initial) _____
2. A 1099 form will be submitted to the Internal Revenue Services at the end of the calendar year which will report the total amount paid to me as an I.C. I also understand that Comet will issue a copy of this 1099 form to me before January 31. (Initial) _____
3. As an I.C. I may choose whichever route I wish to take to make a delivery. However, I understand that Comet will not pay me for any deliveries on which a consignee files a claim for damage, shortage, loss or delay. Comet does not have to give me minimum number of deliveries and may use other I.C.'s to perform deliveries. (Initial) _____
4. As an I.C. I am responsible for any damage, loss, shortage, or delay to shipments which I receive, and that any shipment I receive must be properly packaged by customer and secured by me prior to transport.
